

UNIVERSITY OF BANJA LUKA

Prof. Dr Valerija Šaula

Skopje, 25.10.2012.

Introduction

- University of Banja Luka already participated in 73 TEMPUS projects
- QA related projects:
 - Strengthening QA in BaH (2004)
 - From QA to Strategy Development (2006)
 - The Role of Stakeholders in QA Procedures at Medical Faculties in BaH (2006)
 - Modernization and Reconstruction of University Managament and Structure (2008)

Introduction II

- CUBRIK
- EU Standards for Accreditation of Study Programs on BaH Universities (2009)
- Strategic Management of HEI based on Integrated QA System (2010)
- Embedding QA in Doctoral Education (2011)
- (EUA coordinator) Empowering Universities to Fulfil their Responsibility for QA (2012)

CUBRIK activities at UBL I

- Kick-off meeting in Alicante (10-13.3.2010.)
- Training workshops in Vienna and Alicante (12-17.7.2010.) for University QA Committee members
- Member of the Steering Board Appointed (21.7.2010.)
- Workshop in Brussels on Students Involvement in QA (27-28.01.2011.)

CUBRIK activities at UBL II

- Equipment purchased on 02.11.2010.
- Procedure of appointing QA experts finished on 03.11.2010.
- Roundtable meeting of partners from BaH (hosted by HEA of BaH) on 13.12.2010.
- Monitoring mission of NTO in Banja Luka on 15.12.2010.

CUBRIK activities at UBL III

- Questionnaire to Collect Indicators Related to Study Program Assessment sent to UA on 15.3.2011.
- Workshop in Niš on EFQM Model (23-24.5.2011)
- Self-Assessment report prepared and sent to UA on 05.9.2011.
- Extraordinary Meeting in Alicante on 24.1.2012.
- Visit of EU experts and meeting with SER Committee on 20.2.2012. in Banja Luka (Faculty of Economy)

Benefits for UBL

- Exchange of expertise (rules and practice)
- Targeted training programs in new methodologies
- Pilot assessment activities very useful for the future planning
- Networking with new partners
- Enhancing already existing bilateral cooperation between the partners

Dissemination

- Dissemination event in Banja Luka on 26.3.2010.
- Open call and transparent procedure for appointing experts (complete procedure via web page of the UBL)
- Press coverage of the events in Banja Luka (Round Table in HEA very heavily covered by media)
- Information about the CUBRIK and its activities on UBL web page, with link of the project at UA

Dissemination II

- Distribution of printed materials to faculties
- Including the information about CUBRIK in Plan of the Activities adopted by the Senate and Steering Board
- Mentioning the importance of the project at meetings with officials, foreign guests (ambassadors), at conferences where QA is discussed
